DECLARING INTENT TO PROVIDE CHANGE IN FISCAL YEAR 1982-83 APPROPRIATION ORDINANCE FROM OBJECT LEVEL TO CHARACTER LEVEL.

WHEREAS, the appropriation ordinance for 1981-82 appropriates funds at the object level; and

WHEREAS, cost management information will still be retained at sub-object, object and character level when appropriation control is placed at the character level; and

WHEREAS, independent city auditors have recommended that the appropriation control level be raised to a higher than currently used level; and

CALLING ON ALL SAN FRANCISCANS TO CONTACT THEIR LEGISLATORS, AND CALLING ON THE SAN FRANCISCO DELEGATION TO THE LEGISLATURE TO URGE THAT THE 1982-83 STATE BUDGET CUTS BE APPORTIONED WITH PARTICULAR SENSITIVITY TO SAN FRANCISCO'S UNIQUE DEMOGRAPHICS AND FUNCTION IN PROVIDING SERVICE TO CALIFORNIANS FROM ALL AREAS OF THE STATE

WHEREAS, Estimates currently show that San Francisco will lose from $40-60 million in 1982-83 state funding; and,

WHEREAS, There have been reports of plans to distribute medical service monies on the basis of population or county, rather that on the basis of need; and,

WHEREAS, The San Francisco Public Health Department and other City departments ~~has~~ have provided information showing:

---San Francisco has a much higher user rate of mental health, drug abuse and alcohol abuse services than other California counties; and,

---Statistics indicate that as economic times get more difficult, more and more people are displaced to central city areas, such as San Francisco; and,

---The City and County of San Francisco has come to provide medical services, both inpatient and outpatient, to those in need but who are without means to pay for such care -- especially seniors and the refugee population; and,

--- San Francisco provides more geriatric beds than all of the other California counties combined; and,

---A full 60% of those students attending public primary and secondary schools in San Francisco are clients of the Department of Social Services, and will be detrimentally affected by any cuts in that department; and,

---San Francisco already has a larger refugee population, in actual number, than any other county in the United States; and,

---Many refugees from other Bay Area counties who have been denied General Assistance are moving to San Francisco; and,

---There are already reports of private medical providers preparing to refuse service to their Medi-Cal and Medically Indigent Adult clients, in expectation of lower state reimbursement for these services; now, therefore, be it

RESOLVED, That this Board of Supervisors of the City and County of San Francisco does urge all San Franciscans to contact their legislators and calls on the San Francisco delegation to the California Legislature to urge that the 1982-83 state budget cuts be apportioned with particular sensitivity to San Francisco's unique demographics and function in providing service to Californians from all areas of the state by:

1) distributing budget cuts and state and federal block grant monies, not on a per capita or per county basis, but on a formula which takes into account need as a basis of distribution, and,

2) exploring and identifying new sources of revenue such as a state lottery and taxes on tobacco, alcohol, and gasoline, a freeze on wages and cost of living adjustments, and speed up the collection of state revenue,

SEC. 20. All persons actually employed in the service of the San Francisco Port Authority at the time this act takes effect and who at said date shall be entitled to the benefits of the civil service porivisons of the State of California insofar as the same may be applicable to the employees of the San Francisco Port Authority, shall be continued in their respective positions and shall continue to hold their positions pursuant to the civil service provisions of the Charter of the City and County of San Francisco and they shall be entitled to all of the rights, benefits, and privileges which such persons might have or might have had, had such persons been originally appointed to their respective positions under certification from the civil service commission of the City and County of San Francisco, and in the matter of seniority in service of such employees entitled to the benefits of said civil service provisions as herein provided, the seniority of such employee shall be reckoned from his first permanent appointment to employment under the State of California, and as to their respective positions such employees shall have preference over all other employees of the City and County of San Francisco. The employment rights of such state employees shall be fully protected at the time of the transfer authorized by this act. Salary, employment conditions, and benefits shall be no less than those received by the employees of the San Francisco Port Authority at the time of transfer. These rights and benefits include, but are not limited to: probationary or permanent civil service status, and any career executive appointments; retention of employees' positions on existing subdivisional and departmental promotional and eligible lists, as long as they are in effect; no less than the same wage and salary range for comparable classes; overtime and shift premium pay whenever and wherever applicable; callback and standby pay whenever and wherever applicable; continued membership in the Public Employees' Retirement System provided by the City and County of San Francisco, or any other retirement program in effect with the San Francisco Port Authority; retention of vacation and sick leave balances which such employees now have when they become employees of the City and County of San Francisco; waiver of residence requirements; and retention of the option to continue any present health insurance and group life coverage. Upon assent to the transfer of lands as authorized by this act by the City and County of San Francisco, any employee desiring to transfer to another state agency or to be placed on a state layoff list may do so within six months of such assent and shall retain all state civil service rights and benefits.

For purposes of this Section 20, "continued membership in the Public Employees' Retirement System" includes entitlement to any and all increases in retirement benefits, authorized by state law on or after the transfer of lands as authorized by this act, for employees of the State of California by reason of their membership in the Public Employees Retirement System. Notwithstanding any other provision of law, the Public Employees Retirement System shall take all steps necessary to effectuate any amendments to its contract with the City and County of San Francisco that are or may be required to carry out the provisions of this Section 20.

SECTION 2. This amendment is intended only to clarify existing provisions of law, and thereby to facilitate administration of those provisions.

(Federal Legislation)

MEMORIALIZING THE CONGRESS TO OPPOSE ENACTMENT OF SENATE BILL 2222 (SIMPSON/MAZZOLI), THE IMMIGRATION REFORM AND CONTROL ACT OF 1982.

WHEREAS, Senate Bill 2222 (Simpson Mazzoli Bill) was introduced in Congress in March of 1982, and proposed major reforms in the immigration laws of United States; and

WHEREAS, The major thrust of the bill to restrict immigration by limited family reunification will have a discriminitory impact on Asians and Hispanics; and

WHEREAS, The employer sanction provision of the bill will increase discrimination against blacks, Hispanics, Asians and other foreign-born citizens and residents in that it requires employers to ask for documents from employees which prove that they are legally in the United States; and

WHEREAS, The national identity card could easily be used to violate the Civil Rights of all workers and has been condemned by numerous Civil Rights organizations; and

WHEREAS, The bill would provide for the hiring of temporary workers who would have to pay taxes but who would not have full labor rights nor access to public and employment benefits; and

WHEREAS, The bill gives an alien only 14 days to apply for political asylum and prohibits judicial review of political asylum application thereby denying due process to political refugees; and

WHEREAS, The Simpson Mazzoli bill has been opposed by numerous Civil Rights organizations including the Mexican American Legal Defense and Education Fund, The League of United Latin American Citizens and The Asian Law Caucus; and

WHEREAS, The issue of immigration reform needs careful deliberation and should not be rushed through the Congress; now, therefore, be it

SUPPORTING THE CALIFORNIA HANDGUN VIOLENCE PREVENTION INITIATIVE OF 1982.

WHEREAS, In California this year, approximately 50,000 robberies and assaults will be committed, 6,000 persons will be shot and wounded in criminal attacks and 2,000 persons will be killed, all with handguns; and

WHEREAS, It is generally understood that some of this violence is a direct result of the proliferation and easy availability of handguns; and

WHEREAS, Handgun controls can be most effectively enforced on a statewide basic, where a uniform law applies in all local jurisdictions; and

WHEREAS, There is currently being circulated throughout California an initiative petition designated as the Handgun Violence Prevention Act of 1982, to appear on the November, 1982 ballot; and

WHEREAS, This initiative would require that all handgun transfers take place through a licensed dealer, thereby providing for a fifteen (15) day cooling-off period and a criminal background check before all handgun transfers; and

WHEREAS, The initiative would require all handgun purchasers to complete a firearms safety course or test prescribed by the Department of Justice; and

WHEREAS, The initiative would require the registration of all handguns, and after April 30, 1983, only handguns then registered could be possessed and sold within the state, so that there would be in effect a prohibition on the manufacture and importation of handguns in circulation in the state; and

WHEREAS, Mandatory sentences of at least three months would be imposed for carrying an unregistered handgun without a license outside of one's home or business, and at least six months if the handgun is loaded; and

WHEREAS, Civil liability of up to $30,000 would be imposed upon any person who unlawfully transfers a handgun, for the death or injury of any person wrongfully or negligently shot with that handgun, if the victim is unable to obtain full compensation from the assailant; and

WHEREAS, Registration fees not exceeding $5.00 per firearm and other reasonable user fees would cover all administrative costs; and

WHEREAS, The requirements of the Handgun Violence Prevention Act of 1982 would, on a statewide basis, reasonably regulate the sale and possession of handguns throughout the state ~~without unduly restricting the right of responsible citizens to own handguns for their own protection~~ now, therefore be it

RESOLVED, That the San Francisco Board of Supervisors hereby endorses and supports the California Handgun Prevention Act of 1982; and be it

WHEREAS, The Channel Pump Station delivers approximately 60% of the required flows to the Southeast Water Pollution Control Plant, currently under construction and scheduled for secondary treatment startup well in advance of the December 1st date; and

(Federal Legislation)

URGING SAN FRANCISCO'S LEGISLATORS IN THE HOUSE OF REPRESENTATIVES TO DEFEAT LEGISLATION ALLOWING FOR THE SALE OF THE PRESIDIO OF SAN FRANCISCO.

WHEREAS, The Presidio of San Francisco is a verdant, peaceful, historically significant part of our City, and, as currently operated by the United States Army, exists in pleasant juxtaposition with the surrounding city; and

WHEREAS, The federal legislation creating the Golden Gate National Recreation Area establishes that The Presidio of San Francisco, should the United States Army ever abandon its operations there, would become part of the Golden Gate National Recreation Area; and

WHEREAS, The Military Construction Authorization Act of 1982, S-2586, recently approved by the United States Senate, includes an amendment which would allow the President of the United States to disregard federal law regarding The Presidio's disposition and to offer The Presidio for sale; and

WHEREAS, The Military Construction Authorization Act of 1982 is now pending before the House of Representatives as HR-6214; and

WHEREAS, The only alternative to the present use of The Presidio this Board of Supervisors finds acceptable is for the Presidio of San Francisco to become part of the Golden Gate National Recreation Area; now, therefore be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco respectfully urge San Francisco's Representatives in Congress to oppose and work diligently to defeat portions of HR-6214 or any legislative provision which would allow the sale of The Presidio of San Francisco; and, be it

FURTHER RESOLVED, That the Clerk of the Board is hereby instructed to transmit a copy of this Resolution to Her Honor, the Mayor, with the request that she immediately transmit copies to San Francisco's legislative advocate in Washington, D.C. and to its elected representatives in the U.S. House of Representatives and urge that they take all necessary steps to effectuate the intent herein at the earliest possible date.
